Notice of Oral Ex Parte Communication

Dear Ms. Dortch:

On Thursday, July 22, 2004, Jeffrey T. Lawrence and Grace I. Davis of Intel Corporation ("Intel") met with Commissioner Adelstein and Johanna Shelton at Intel's offices in Santa Clara, California, and discussed Intel's various Digital Home plans and efforts. During the course of those general discussions, Intel discussed its Digital Home enabling efforts, which include its activities relating to HDCP, DTCP and CPRM, and touched upon some of the high-level issues that are outlined in the filings made by Digital Transmission Licensing Administrator, LLC, 4C Entity LLC, and Digital Content Protection, LLC, in the above referenced proceedings.

Pursuant to Section 1.1206(b) of the Commission's Rules, an electronic copy of this letter is being submitted to the Secretary's Office and to the above referenced persons. Please inform me if any questions should arise in connection with this filing.

Respectfully submitted,

Jeffrey T. Lawrence
Director
Digital Home Content Policy
Intel Corporation
